

**30%**

A stylized illustration of a human brain, split vertically. The left half is colored a vibrant red, while the right half is a lighter, pale pink. The brain's surface is depicted with simple, bold white outlines representing the gyri and sulci. Overlaid in the center of the brain is the text "30%" in a large, bold, dark purple font. The numbers and the percentage symbol have a thick white outline, making them stand out against the brain's colors.
